CUSD Annual Information Update

CUSD requires annually that parents review the address, contact phone numbers, emergency and health information contained in Parent Connect. This year, the window for this review is **July 9—August 8**. Here are few details that will help make this process smooth for you.

- Parent Connect accounts are tied to the parent's e-mail address. Please log in to Parent Connect prior to July 9 to verify that your e-mail address is correct, and that you have a password so you won't have difficulty making the update over the summer.
- If you have forgotten your password, please click on the parent connect log-in link labeled "Forgotten Password". A new password will be e-mailed to you immediately.
- **CUSD Technology will have a Parent Connect Help Desk available from July 9 - August 8. The phone number is 327-0789.**

Parents who have completed the Annual Information Update by August 8 will be notified by e-mail on August 13 of their student's classroom placement for the 18-19 school year. All classroom placements will be posted on the Cub Café windows at 6:00 pm on Friday, August 18. No requests for teacher changes will be accepted.

Thank you for complying with CUSD policy with regard to the information update. For your student's safety, we must have confirmation that parent contact numbers are correct. **Per CUSD policy, this update must be completed annually for your student to attend a CUSD school. Students may not participate in sports until this is completed.**
