Message from Mrs. Bump

Thank you for a very special teacher appreciation week. Our classroom teachers felt so very spoiled and greatly enjoyed the door decorating contest. Congratulations to Ms. Webster and Mrs. Twet's families for the winning classroom doors! Our PTC provided an amazing luncheon for the entire Garfield and Garfield Center staffs on Wednesday. We are still talking about how amazing the food was. Thank you for spoiling us!

This week will be our annual spring concert. Our choir, orchestra, band, and fourth grade instrumental class will be performing for our community. Please come and enjoy this special evening with our Cubs.

Our Cubs are doing a great job of finishing the year strong. It's time for them to show all they have learned as they complete their state and district assessments. We can see their confidence as they tackle these important tasks and are excited to see their growth!
