Enjoy Your Day Off!

Message from Mrs. Bump

Garfield offers many field trips and extended learning opportunities throughout the school year. Community classroom learning opportunities are key in student achievement for our Cubs.

Sixth grade travels to the Sierra Outdoor School (SOS) this week. We fondly refer to this school as "Sonora." SOS is a part of CUSD and is in the Stanislaus National Forest 30 minutes from Sonora. Students participate in hands on science instruction that includes forest exploration. Instruction supports mastery of the Next Generation Science Standards (NGSS). We appreciate our many 6th grade volunteer parent chaperones that will join us for this three day experience!

Upper grade students in Gifted and Talented Education (GATE) just visited the tall ships in Sacramento. They were able to board the Hawaiian Chieftan and participate in Common Core aligned learning stations on maritime heritage. Thank you Mrs. T. Riley for your help with communications during the trip, and GATE Advisor Ms. Yamaichi for all you do to support this program!
