RETURN TO SCHOOL after Fever

If a student is sent home with fever, they may not return the next day. Student may not return until the following criteria are met:

- Symptom free for 24 hours. This includes fever vomiting, diarrhea, cough and rash.
- Fever free for 24 hours without use of fever reducing medication such as Tylenol or Ibuprofen.

Student should complete 24 hours of antibiotic treatment prior to returning to school (if treated with antibiotics).

EMERGENCY CONTACT

- In case of emergency parents/guardians will be contacted.
- It is very important that the Health Office have updated contact information.
- If there is a change in contact information please contact the health, office to ensure the correct information is on your student's health information card. (Changing information on Parent Connect does not alert or inform the health office.)
